

SOUTH PASADENA POLICE DEPARTMENT CITIZEN COMPLAINT REPORTING PROCEDURE

PRIVATE PERSON'S COMPLAINT PROCEDURE

The South Pasadena Police Department, in compliance with California Penal Code Section 832.5, has an established procedure to investigate complaints against employees of this department. These procedures are designed to fairly and equitably investigate complaints against department personnel, and to detect and take corrective action against employees who conduct themselves improperly. It is also intended to protect police personnel from false complaints. It is the objective of this department to provide a prompt and expeditious resolution of investigations regarding the conduct of department employees.

WHO CAN FILE A COMPLAINT?

Anyone who is directly involved or witnesses an incident from which a complaint arises may file a complaint. This may include a parent or a legal representative of an Involved party.

HOW CAN A COMPLAINT BE FILED?

Complaints may be accepted in person, in writing, or by telephone. The complainant will be asked to give the names of all parties and witnesses involved and will be asked to give a complete and thorough statement.

WHO WILL INVESTIGATE THE COMPLAINT?

The employee's immediate supervisors will normally investigate the complaint.

HOW THOROUGH WILL THE INVESTIGATION BE?

The department's objective is to complete a thorough and impartial investigation disclosing the truth. Every effort possible will be expended to satisfactorily conclude the investigation.

WHO MAKES THE FINAL DECISION?

The Chief of Police, after reviewing all aspects of the investigation, makes the final decision on the validity of the complaint, and, if sustained, the discipline to be administered.

WHAT CAN HAPPEN TO THE COMPLAINING PARTY?

Nothing will happen to the complainant if he or she is telling the truth. Penal Code Section 148.6 makes it a crime to knowingly make a false complaint against a police officer. Where false allegations are defamatory against the officer's character and reputation, the officer has civil recourse against the complaining party.

All reports of misconduct shall be reported to the Office of the Chief of Police.

We decline to sign the section below under Penal Code Section 148.6 because it is unconstitutional. Chaker v. California law requires this agency to have a procedure to investigate citizen's complaints. You have the right to a written description of this procedure. Re: Investigate South Pasadena Chief of Police for Ties to Hate Group

Dear Mayor Joe and Councilmembers:

We submit this letter of concern as organizations representing residents of South Pasadena and organizations advocating for the civil rights of our communities. We demand a formal investigation from the City Council into the recent decision of the Chief of Police to approve and promote a public event led by a local chapter of the American Society for the Defense of Tradition, Family, and Property, scheduled to be held at the South Pasadena Police Department station on Saturday, September 26, at 10:00 am. This letter also serves as a personnel complaint against Chief Ortiz submitted under Section 320.2.2. of the [South Pasadena Police Department Policies and Procedures Manual](#).

Chief Joe Ortiz sent an email, with the subject line, "Invitation to all," to undisclosed recipients on September 24, 2020, at around 2:55 pm. Chief Ortiz described the event as "an excellent opportunity to meet with some of our community members who want to show their support and publicly recognize all first responders and the excellent work we do." Chief Ortiz noted that, "please know that our uniformed personnel are not in attendance to endorse, support, oppose or contradict any political campaign, initiative, social issue, cause, or religion. ***Please refrain from using photos of our personnel as we welcome the community's spiritual support.***"

That evening, at around 5:58 pm, Chief Ortiz sent an email to several city email inboxes and individuals informing them that the event "has been postponed until further notice."

The next day, the City Manager's office issued a statement from Chief Ortiz apologizing for his actions. Chief Ortiz stated: "My error in judgment was the result of good intentions, albeit with poor execution. I deeply regret that my lack of due diligence in this matter has caused confusion and doubt about the many great qualities of our community that make it so special."

Chief Ortiz's invitation of a group espousing racism, bigotry and xenophobia to gather on city property is a breach of our trust and confidence. At a minimum, the City Council must investigate this incident. The American Society for the Defense of Tradition, Family, and Property (TFP) is a religiously-affiliated organization that promotes hate ideology, speech, and actions. On their website, TFP has a page dedicated to "Pray for Your Police Department." On that same page, TFP suggests the disproportionate number of Black lives killed during police encounters is justified.¹ The TFP website contains numerous

Chief Ortiz's claim that he was unaware of the hateful views TFP prominently displays on its website defies credulity. What kind of diligence Chief Ortiz did exercise in sanctioning the TFP event? If Chief Ortiz did not know that TFP promotes positions at odds with South Pasadena's inclusive values, why did he caution attendees not to take photos of officers and staff taking part in the prayer? What misuse of public funds, public property, and email systems occurred? Do these actions amount to violations of the department's own policies and state laws? Is this misconduct subject to discipline?

Chief Ortiz's invitation to host TFP at the police department must be examined in context. Since May of this year, South Pasadena Youth for Police Reform and Black Lives Matter South Pasadena have been demonstrating on our streets calling for police reform and justice for the Black lives lost to police brutality. The Anti-Racism Committee of South Pasadena held a listening session with the police department and the City Council to share their personal experiences of biased and unequal treatment by police officers. Care First South Pasadena has called for our city leaders to critically examine the police budget. These public demands for police reform are occurring front and center in our city and in cities throughout our country. While our views may differ on the specifics of police reform, we share one vision: a community that respects the dignity and safety of all people. And when we dissent, we do so respectfully—not with hate.

Chief Ortiz's decision to align the police department with TFP has harmed our community. As such, the City Council must act swiftly to investigate this incident. We request that this incident be discussed as an agenda item at the next City Council meeting on **October 7 or at a special meeting called by the council**. Should there be costs to complete an investigation, Councilmembers may consider using their discretionary district funds to supplement some of these costs.

This City Council passed [Resolution 7673](#) in August 2020 affirming the city's commitment to safeguarding the civil rights, safety, and dignity of all our residents and to *proactively* ensure our rights and privileges. The city has pledged to not tolerate any acts of discrimination motivated by hatred

To all-

Please join us this Saturday, September 26, 2020, at 10:00 am (in the front courtyard of the station) for gratitude as residents offer their spiritual support. A local chapter of the American Society for the Defense of Tradition, Family, and Prosperity would like to offer prayers and blessings for the men and women of the Police and Fire Department. This event is an excellent opportunity to meet with some of our community members who want to show their support and publicly recognize all first responders and the excellent work we do.

As a friendly reminder, please know that our uniformed personnel are not in attendance to endorse, support, oppose or contradict any political campaign, initiative, social issue, cause, or religion. Please refrain from using photos of our personnel as we welcome the community's, spiritual support.

Anyone is welcome to attend, and please remember to wear a mask and socially distance yourself as needed.

Thanks,

Joe Ortiz, Chief of Police

Investigate South Pasadena Police Department's Ties to Hate Group

Care First South Pasadena started this petition to **South Pasadena City Council**

We join the Care First South Pasadena coalition to demand a formal investigation from the City Council into the recent decision of the Chief of Police to approve and promote a public prayer event at city hall led by a local chapter of the American Society for the Defense of Tradition, Family, and Property. This self-described Catholic organization actively promotes anti-Black and racist views as part of its counter-movement to Black Lives Matter and community calls for police reform. The organization has also been dubbed “virulently anti-LGBT” by the Southern Poverty Law Center. The event was scheduled to be held at the South Pasadena Police Department station on Saturday, September 26, at 10:00 am. This petition also serves as a personnel complaint against Chief Joe Ortiz submitted under Section 320.2.2. of the South Pasadena Police Department Policies and Procedures Manual.

Chief Joe Ortiz sent an email, with the subject line, “Invitation to all,” to undisclosed recipients on September 24, 2020, at around 2:55 pm. Chief Ortiz said that the Catholic society on Saturday at city hall would “offer prayers and blessings” to the city’s police. Ortiz said the event was “an excellent opportunity to meet with some of our community members who want to show their support and publicly recognize all first responders and the excellent work we do.” Chief Ortiz noted that, “please know that our uniformed personnel are not in attendance to endorse, support, oppose or contradict any political campaign, initiative, social issue, cause, or religion. Please refrain from using photos of our personnel as we welcome the community’s, spiritual support.”

That evening, at around 5:58 pm, Chief Ortiz sent an email to several city email inboxes and individuals informing them that the event “has been postponed until further notice.”

Chief Ortiz stated: “My error in judgment was the result of good intentions, albeit with poor execution. I deeply regret that my lack of due diligence in this matter has caused confusion and doubt about the many great qualities of our community that make it so special.”

Chief Ortiz’s promotion and invitation of a group espousing racism, bigotry and xenophobia to gather on city property is a breach of our trust and confidence. Chief Ortiz’s claim that he was unaware of the hateful views TFP prominently displays on its website defies credulity. What kind of diligence did Chief Ortiz exercise in sanctioning the TFP event? If Chief Ortiz did not know that TFP promotes positions at odds with South Pasadena’s inclusive values, why did he caution attendees not to take photos of officers and staff taking part in the prayer? What misuse of public funds, public property, and email systems occurred? Do these actions amount to violations of the department’s own policies and state laws? Chief Ortiz’s invitation to host TFP at the police department must be examined in context.
